For Immediate Release:

IBM OFFERS FREE COMPUTERS

Green Bay, WI—Brown County United Way is pleased to announce the IBM Corporation is donating \$5,100 worth of computer equipment to our community.

If you are a nonprofit organization administering early learning programs, youth education/development programs, literacy programs, job training, community and family services, support for seniors or the disabled, you are eligible to apply for the following equipment:

- 3 ThinkCentre A50P Systems (Pentium 4, 2.8 Ghz w/17" monitor/CD-RW (48x))
- 1 Young Explorer System (Pentium 4, 1.6 Ghz processor/15" monitor)

These computers will enable recipient agencies to provide computer access and skills training for youth, the unemployed and the disadvantaged.

To receive an application, please contact Tammy Spoerl at (920) 432-3393. All applications must be returned no later than Friday, August 6 to be eligible for consideration.

This donation is part of a nationwide contribution from IBM. IBM sees the distribution of the Young Explorer Systems to enhance early learning programs in daycare centers as a necessary step in preparing children for success in school.
