### **Brown County United Way provides link to disaster relief for Hurricane Katrina**

The Brown County United Way is providing a link for community members to support those in Louisiana and Mississippi who face what may be the most damaging hurricane in American history, according to Toni Loch, president and CEO of the Brown County United Way.

The United Way of America has activated the Hurricane Katrina Response Fund. To access this link, please visit the Brown County United Way's website at [www.browncountyunitedway.org](http://www.browncountyunitedway.org).

This link is available to anyone who wishes to help these communities rebuild after this devastating event.
