

Destination: Stability

You make a donation to United Way

And shows improved attendance & learning

A child attends a United Way-supported community school

She graduates & starts a career

She gives to United Way

A veteran experiencing homelessness receives job training

And helps a child with a disability

He becomes a United Way volunteer

That child shows improved development

PAVE THE PATH

LIVE UNITED

In Brown County, one in three households struggles to achieve stability.

United Way fights for the health, education and financial wellbeing of every person in our communities.

Join the fight and help us achieve our community goal: 10,000 individuals on the path to stability in 10 years.
