

# REAL PEOPLE, REAL STORIES, RIGHT HERE IN BROWN COUNTY.

---

This snapshot of our  
community is a reality  
for 1 in 3 households.

*“Leaving my son with someone else is really hard for me. I struggle with that. Even while I do things in the house, being the only parent at home throughout the week - like, day-to-day - that’s a problem for me.”*

*“It was brought to my attention that I do not eat food because I am always doing something else, such as work. I don’t have money for food. I have four meals a week so I eat once a day. I have to decide on when I want to eat my one meal so I am not starving all day.”*
